

# AMMM 2023

*Additive Manufacturing Meets Medicine*

September 11-15, 2023

Fraunhofer IMTE | Lübeck, Germany

Advanced Training Courses (Sep 11-12)

Summer School (Sep 11-15)

Scientific Conference (Sep 13-15)

UNIVERSITÄT ZU LÜBECK  
INSTITUTE OF MEDICAL  
ENGINEERING

# AMMM 2023

## Additive Manufacturing Meets Medicine

3D printing is of outstanding importance in medical engineering and has been growing continuously in recent years. From prostheses and soft implants to matrices for tissue engineering, additive manufacturing has decisive advantages for medicine. The scientific conference AMMM brings together engineers, scientists and technicians with physicians and entrepreneurs to discuss the latest achievements in 3D printing development for medicine.

### Chairs Scientific Conference & Summer School

**Prof. Dr. Thorsten M. Buzug**

E-Mail: [thorsten.buzug@imte.fraunhofer.de](mailto:thorsten.buzug@imte.fraunhofer.de)

**Prof. Dr.-Ing. Hermann Seitz**

E-Mail: [hermann.seitz@uni-rostock.de](mailto:hermann.seitz@uni-rostock.de)

### Chairs Advanced Training Program

**Dr. Thomas Friedrich**

E-Mail: [thomas.friedrich@imte.fraunhofer.de](mailto:thomas.friedrich@imte.fraunhofer.de)

**Maximilian Wattenberg**

E-Mail: [maximilian.wattenberg@imte.fraunhofer.de](mailto:maximilian.wattenberg@imte.fraunhofer.de)

### Chair Industrial Fair

**Stefan Ritt** | German Federal Association for Economic Development and Foreign Trade (BWA) e. V., Northern Germany Representative; Ambassador Chairman of AMUG

E-Mail: [stefan.ritt@infinite-science.de](mailto:stefan.ritt@infinite-science.de)

### Host and Organization

**Infinite Science GmbH**

Wissenschaftscampus Lübeck

Maria-Goepfert-Str. 1, D - 23562 Lübeck

[info@ammm.science](mailto:info@ammm.science) | [www.infinite-science.de](http://www.infinite-science.de)

We foster the economy

Regional Economic Programme: Funded by the European Union - European Regional Development Fund (ERDF), the Federal Government and Land Schleswig-Holstein
